The Mexican war survivors of Livingston county will meet for organization at Chillicothe on the 4th of July.

The Rev. William M. Brady, D. D. formerly chaplain to the lord-lieutenant of Ireland, has entered the Catholic church in Rome.

The steamboat Mary McDonald burnt to the waters edge last Thursday night, about four hundred miles above. Tuesday twenty roustabouts landed here on their way to St. Louis in a yawl boat. They report the steward drowned, and all the freight lost except a few hogs.—St. Charles News.

BIO PIG.—Messrs. Norris & Jackson showed to us Friday morning last a pair of hams weighing 105 pounds—62 1-2 lbs. each. The pig from which the hams were taken was of the Poland China species, weighing 700 lbs., and was only eighteen months old when slaughtered. He was raised by Mr. Henry T. Mudd of Millwood. The sides were almost as large as a barn door. One of these hams (with a few trimmings) would make us a "square meal."—Clarksville Sentinel.

CRUSHED.—Last Thursday, E. S. Jones, a negro man, while engaged with several others in making an excavation in the cut on Second street, near Clark, was caught by a mass of falling earth, and crushed so severely that he died in a few moments after he was exhumed. The other laborers escaped only by a hair's-breadth.—St. Charles News.

## The Only Genuine "SWEEPSTAKES" Threshing Machine.

C. Sullivan & Co. J. E. Sawyer & Co. Manufacturers, Canton, Ohio. Gen'l Ag'ts, St. Louis, Mo.

The Sweepstakes is the accredited brand of the Threshing Machine family, and its SUPERIOR STRENGTH, durability, simplicity of use of draft, style of finish, and capacity for threshing and cleaning grain fit for market, faster and better than any other, are acknowledged.

The Genuine Sweepstakes enables the thrasher to pick his customers, seldom stops for repairs, last much longer than others, saves much grumbling and vexation, does the same amount of work with less labor, and enables him to select the best and most profitable jobs.

The farmer gives it the preference and claims an extra price per bushel, because it threshes clean from the heads, separates perfectly from the straw, cleans for market, without waste, saves fit for grain, does its work with the utmost speed, safety, and economy, and does not keep a single of or and teams about it on expense.

A written Warranty delivered with every machine.

The "Sweepstakes" is usually a very scarce article after harvest, and parties should order EARLY.

Repairers, Horse Power, Straw Stackers, Gears or Jacks, sold separately when desired.

Call or send and get a Pamphlet Circular, giving a full description and particulars, together with prices, etc., etc.

Correspondence invited from all those who anticipate buying a thrasher or any of its parts.

## BUFFALO NURSERY.

BROTHER FARMERS don't forget that our eastern neighbors are feeding apples to stock with good results. whilst we have only a scanty supply for family use. Also the eastern farmers have their barrels of elder and an abundance of the best apple vinegar, and here either is a rarity with the majority of families. And yet we most all cultivate more land than is profitable and have often an abundance of waste and worn out lands that could be made profitable if set in trees, besides improving the condition of the land.

Being overstocked with winter fruits, especially Jannet and New York red pippin or Ben Davis, I will sell this spring by the 1000 at \$75 and by the 500 at \$45.00. Price by the doz. and 100 will be the same as before. per doz. \$1.00, per 100 \$11.50, will sell Hughes' elder crab per 50 at \$4.00, per 100 \$7.00, per 1000 \$60.00, pear, cherry and plum trees each 60c. \$6.00, per doz. Concord grape one year old first class each 10 ct. per doz. \$1.00, per 100 \$5.00, p r 1000 \$50.00, bearing vines each 25 ct. per doz. \$2.50, per 100, 18.00. All other stock about the same as last spring.
